

## **“Best Practices/Good Ideas in Child Support Enforcement”**

**Goal** [give the goal and reason for the project]

**Description** [give an overview of the project, including program name, key partners, dates of operation]

**Results** [include (1) numbers and/or (2) anecdotal information for practices that have a track record; for new practices that show promise but have no results, provide anticipated outcomes]

**Location** [say (1) where the practice is in place, if rural/urban; (2) if the practice has been adapted from elsewhere in the state or from another state;

**Funding** [include the funding source (for example, SIP, 1115, county, special state- or county-only funds, regular Federal matching, TANF, Community Services, etc.)]

**Replication Advice** [this is, in effect, lessons learned and the advice you consider important to give to someone who is considering adopting the practice]

**Contact** [give the project contact in state or local office, who can provide information on the practice; include (1) name, (2) title, (3) phone number, (4) Internet email address]
