

CSBG Pre-Application Recorded Teleconference on CSBG T/TA ROMA Next Generation Center of Excellence

The Office of Community Services has recorded a pre-application teleconference discussing the Community Services Block Grant (CSBG) Training and Technical Assistance (T/TA) Results-Oriented Management and Accountability (ROMA) Next Generation Center of Excellence (COE) (**ACF funding opportunity announcement HHS-2012-ACF-OCS-ET-0301**).

The recorded teleconference has an accompanying PowerPoint slide presentation that should be viewed in conjunction with the telephone recording. The slide presentation will be distributed via e-mail to the CSBG Network and also is posted on the [CSBG website](#) under “What’s New” on the far right side of the webpage.

The recorded teleconference will be available until **Thursday, August 6 11:59 pm Eastern Time**.

You may access the teleconference via phone or via weblink.

The telephone call-in number is: 888-566-0494.

Who should participate?

This call is intended for organizations interested in applying for the CSBG T/TA ROMA Next Generation COE funding opportunity and/or individuals or organizations interesting in learning about the goals and characteristics of this new Center of Excellence.

How long will the call be?

The call will be approximately 25 minutes long.

What materials should be reviewed in conjunction with this call?

Listeners either should have a printed copy of the accompanying slide presentation available or should view the slide presentation on a computer screen. The accompanying slide presentation will be distributed via e-mail to the CSBG Network and also is posted on the [CSBG website](#) under “What’s New” on the far right side of the webpage.
